About the Common Application Form

This single application form can be used to apply to the two landlords below within East Dunbartonshire who form part of the **Common Housing Register** who may have social rented housing to suit your requirements.

If you do not want to be considered for housing by any of the landlords please put a cross in the box beside their name. Otherwise your application will be considered by two landlords.

- East Dunbartonshire Council
 Antonine Housing Association

As well as the two landlords who form the current **Common Housing Register**, there are 13 other Housing Associations who have rented housing within East Dunbartonshire who may be able to meet your housing need. Sometimes these Housing Associations ask us for names from the Common Housing Register for a house becoming vacant. This is called a **Nomination**. If you **do not** want to be nominated to any of the following Housing Associations **please put a cross in the box beside their name**.

In order to improve your chances of being offered a suitable house, **you should also contact the Housing Associations directly so that you can complete their housing application form and be registered on their own Housing List.**
